

Homemade Fire Starters

1. Dryer Lint & Egg Cartons

- Grab an empty egg carton
- Place dryer lint in each egg holder
- Scoop wax from a candle and place a chunk in each egg holder
- Strike a match and light the lint in one of the middle egg holders

2. Hand Sanitizer

- Squeeze a good supply of hand sanitizer on the wood and it will burn long enough to dry it out
- Make sure it contains alcohol

3. Duct Tape & Bug Repellent

- Rip off about a foot of duct tape and roll it into a ball
- Spray it in bug repellent and strike a match to it

4. Cotton Balls & Vaseline

- Dip cotton balls in vaseline
- Strike a match to it
