Welcome

Welcome to our Summer 2023 Timbits Division Soccer Program. BBAA/SSU is proud to offer programming for children in the region. Southern Shore United Soccer Association (SSU), managed by Bay Bulls Bauline Athletic Association, is a not-for-profit organization. The association strives to maintain the lowest possible fees and ensuring that our members receive the highest level of soccer programming. The goal of the soccer program is to increase and encourage physical literacy, active living, technical ability & FUN!

BBAA/SSU are pleased to continue our partnership with Tim Hortons Timbits Soccer Program. Timbits Micro Division Players (U3-U7) will receive a complete set of jersey, shorts and socks and ball as part of their registration.

What is Micro League?

Our Micro League is for our youngest players and their introduction to soccer. Our summer student coaches work with each group to teach the fundamentals of soccer through fun games, skills and activities.

What is Metro Soccer League?

NOTE: *Metro is only an option for those in U7 and born in 2016*

The Metro Soccer League is a regional Club Competition. It provides our young players with the opportunity to enhance their skills in a competitive environment in order to take their soccer skills to the next level. It is comprised of all the soccer clubs in the greater Metro area throughout the Avalon Peninsula. Competitive games between the various clubs age groups are scheduled on weekends throughout the region from early June to mid-September.

To register in the Metro Soccer League, you **MUST** also be registered in our Micro Program. In addition to the 2 weekday club program timeslots, Metro League players will also participate in weekend games, Metro team practices start early May 2023 and interested players must be registered before attending so that team selections can be finalized, and we can prepare for the upcoming season.

Team Selections:

All kids have the right to play in the club program, as well as the Metro League. Practices for Metro will start at the beginning of May (schedule TBD) and teams will be selected by Jim Hamlyn, Technical Director, in consultation with our volunteer coaches. NLSA required that we balance the teams between the kids registered in each age group.

Under 7 Metro:

This will be available for U7 players born in **2016 ONLY! Those born after 2016 do not have an option to play metro.**

Program Details:

Start/End Dates: Our program will begin the week of June 26, 2023 and run until the week of August 22, 2023

Cost: \$125/player

Metro League Cost: \$60/player. In order to register in our metro league program, you must also be registered in our micro program.

Important Memo: BBAA/SSU received funding from Canadian Parks and Recreation Association's (CPRA) 'Every One: A Community Sport Intervention' Funding Program earlier this year. We received \$5,000 to go helping reduce the registration fees for individuals. For the 2023 Summer Soccer Program, the metro fee will be reduced to \$60/participant, instead of the original \$90 fee. This reduced metro fee of \$60 will ONLY be for the 2023 season. The fee will be increased back to \$90 in the 2024 season.

What should they wear: Kids in this program are provided with a Tim Hortons Jersey Kit, which includes a jersey, shorts and socks that should be worn to the session. We recommend with the Newfoundland weather to dress in layers and have a coat or sweater in case the weather takes a turn.

Under 7 Metro Players will be required to purchase a SSU Jersey Kit. Jerseys kits can be purchased if you do not have one through the BBBBAA office. Details about purchasing jerseys will be provided as soon as possible. An update will be posted to our Facebook and website. They will also receive the Timbits Jersey Kit as a part of their Micro Program Registration

Equipment: Kids should have cleats or sneakers on to run around in. Shinpads are required for the under 7 division.

What should you bring: We provide everything the child may need for a session; however, you should always bring a water bottle for them! If you want to bring a fold-out chair to sit on while the child is playing, that is acceptable as long as it is not on the playing grid.

Timbits Jamboree: Our Timbits Jamboree will be held on Saturday, August 19, 2023 (August 26th will be our backup date in case of rain); details to follow at a later date. We hand out participation certificates and medals during our jamboree

Rain Days: If the weather conditions are too wet and are not safe to play on, a call will be made no later than 4:00pm and it will be posted on our Southern Shore United Facebook Page and our soccer supervisor will also send out an email to all program participants. Please check our FB page & your email before your session if you are unsure about the weather. If there is no Facebook message or email - soccer is a go!

Refund Policy

The BBBA is a non-profit sport & recreation organization. The Association strives to maintain the lowest possible fees & ensuring that our members receive the highest level of programming possible.

The association incurs an administrative cost for each child during registration including but not limited to staffing, credit card & debit fees, equipment, facility rental and it is because of these costs that the BBBA has adopted a refund policy going forward for all programs.

A full refund, minus a \$15 non-refundable deposit, will be granted if written notice is submitted to the Recreation Director no later than 9:00am 2 days before the first soccer session begins. After that, a refund or credit may only be issued for a medical reason which prohibits continued participation, in which case a medical note is required.

Refunds or credits will not be issued for individual absent days, even if a medical note is attached. Refunds will not be given for removal due to behavioural concerns or failure to comply with camp policies and procedures.

Refund or credit requests will not be issued after program end date has passed.

All payments are to be made at time of registration. If you have any issues, please call Carla at 334-2300.

PLEASE NOTE: A \$40.00 fee will apply to any NSF cheques received by the BBBA.

Our Timbits Micro Division is operated under the direction of SSU's Technical Director, Jim Hamlyn. BBBA hires summer students to help with the on-field instruction.

Volunteer Coaches for Under 7 Metro

Our U7 metro teams will be looking for volunteer coaches. All those interested must submit an application to the BBBA office. All details can be found on our website: <https://www.bbbaa.ca/southern-shore-united-soccer-progra>

Individual & Team Photos

We will have a photographer come to the field to take individual and team photos during the summer program. Details about this will be provided later this spring.

COVID-19 Protocols

Moving into 2022 season we will still be taking precautions to reduce any potential risks, such as using hand sanitizer and cleaning our equipment each night. If your child has any flu like symptoms, please do not bring them to soccer. This is subject to change as public health restrictions are implemented.
