

BBBAA Virtual Summer Camp
Thursday, August 13th
Wild, Wild West Day

Horse Back Obstacle Course

- Set up challenges and obstacles to do. Get creative and use whatever you have around your house
- You have to do the entire course while riding something that resembles a horse (i.e. hockey stick)
- Play against your brother, sister or someone else within your bubble and see who can get through the obstacle course the fastest
- Once you have gone through the course once, you can add or remove obstacles to switch things up and then race again!
