Pipe Cleaner Finger Puppets

Supplies:

- Pipe cleaners
- Pom poms (about 1/2" - 3/4" in diameter)
- Small googly eyes
- Glue gun (Make sure an adult uses this)

Instructions:

Step 1: Wrap a pipe cleaner around your finger 3-4 times, leaving half of the pipe cleaner unwrapped

Step 2: Fold the straight end of the pipe cleaner to make one ear, then another, securing in the middle

Step 3: Glue a matching pom pom over the pipe cleaner where the ears intersect. This will also secure your puppet in place

Step 4: Attach the googly eyes and have fun!!
