## Welcome

Welcome to our Summer 2022 Club Soccer Program. BAA/SSU is proud to offer programming for children in the region. Southern Shore United Soccer Association (SSU), managed by Bay Bulls Bauline Athletic Association, is a not-for-profit organization. The association strives to maintain the lowest possible fees and ensuring that our members receive the highest level of soccer programming. The goal of the soccer program is to increase and encourage physical literacy, active living, technical ability & FUN!

## What is Club Program?

Our club programming is for players ages 8+ and is focused on developing soccer skills. Our Technical Director, with help from our volunteer coaches, work to teach the fundamentals of soccer. We offer 2 one hour and 15 minutes long sessions per week over the course of 9 weeks. This registered in our Club Program will have the option to also register for the Metro Soccer League.

## What is Metro Soccer League?

The Metro Soccer League is a regional Club Competition. It provides our young players with the opportunity to enhance their skills in a competitive environment in order to take their soccer skills to the next level. It is comprised of all the soccer clubs in the greater Metro area throughout the Avalon Peninsula. Competitive games between the various clubs age groups are scheduled on weekends throughout the region from early June to mid-September.

To register in the Metro Soccer League, you MUST also be registered in our Club Program. In addition to the 2 weekday club program timeslots, Metro League players will also participate in weekend games, Metro team practices start early May 2022 and interested platers must be registered before attending so that team selections can be finalized, and we can prepare for the upcoming season.

### Team Selections:

All kids have the right to play in the club program, as well as the Metro League. Practices for Metro will start at the beginning of May (schedule TBD) and teams will be selected by Jim Hamlyn, Technical Director, in consultation with our volunteer coaches. NLSA required that we balance the teams between the kids registered in each age group.

This year we have made the decision to include Under 7 in the Metro League. This would be for kids born in 2015

**Rain Days:** If the weather conditions are too wet and are not safe to play on, a call will be made no later than 4:00pm and it will be posted on our Southern Shore United Facebook Page and our soccer supervisor will also send out an email to all program participants. Please check our FB page & your email before your session if you are unsure about the weather. If there is no Facebook message or email - soccer is a go!

## Refund Policy

The BBBA is a non-profit sport & recreation organization. The Association strives to maintain the lowest possible fees & ensuring that our members receive the highest level of programming possible.

The association incurs an administrative cost for each child during registration including but not limited to staffing, credit card & debit fees, equipment, facility rental and it is because of these costs that the BBBA has adopted a refund policy going forward for all programs.

A full refund, minus a \$15 non-refundable deposit, will be granted if written notice is submitted to the Recreation Director no later than 9:00am 2 days before the first soccer session begins. After that, a refund or credit may only be issued for a medical reason which prohibits continued participation, in which case a medical note is required.

Refunds or credits will not be issued for individual absent days, even if a medical note is attached. Refunds will not be given for removal due to behavioural concerns or failure to comply with camp policies and procedures.

Refund or credit requests will not be issued after program end date has passed.

All payments are to be made at time of registration. If you have any issues, please call Carla at 334-2300.

**PLEASE NOTE: A \$40.00 fee will apply to any NSF cheques received by the BBBA.**

## Coaches

Our club teams are operated under the direction of SSU's Technical Director, Jim Hamlyn, and the help from our volunteer coaches! Our club program is made possible because of the generous support of our volunteer coaches! Our summer students also help with on-field instruction.

## COVID-19 Protocols

Moving into 2022 season we will still be taking precautions to reduce any potential risks, such as using hand sanitizer and cleaning our equipment each night. If your child has any flu like symptoms, please do not bring them to soccer. This is subject to change as public health restrictions are implemented.
